elementary

PFC Zoom Meeting

10/30/2024

Extra zoom meeting called for to vote on allocating funding for Dr. Marzouk to obtain extra yard aids and a Campus Supervisor.

In attending: Matthew Harris, Kristen Marsilio, Amberly Brown, Tiffany Shuttleworth, Amber Amodeo, Terri Carr, Beth Marconi, Alicia Duff, Erin Huang.

Alex explained the ask from Dr. Marzouk for the PFC to allocate funding towards extra yard aids and campus supervisor. Lupin Hill has a low count of yard aids and campus supervisors if compared to other elementary schools such as Willow and Round Meadow.

Money can be allocated from ART/STEM/IA, paper allocation as well as a bit from PFC reserves.

PFC would be committed for payment of salary to the end of the school year and then it would be renegotiated, however hopefully it will be something the PFC could sustain.

VOTE: Official vote to allocate the funds as explained by Alex - Approved (all in favor)
